HDRI SKY 521

page 14

A panoramic HDRI sky image showing a sunset over a coastal city. The sky is filled with dark, dramatic clouds, with a bright orange and yellow glow from the setting sun breaking through near the horizon. In the foreground, a concrete pier with a curved edge is lined with large, dark rocks. The ocean is visible in the middle ground, and a city skyline with buildings and mountains is visible in the distance under the twilight sky.
